

Westport River Watershed Alliance
Watershed Discovery Programs
Summer Scholarship Opportunities

The Westport River Watershed Alliance provides week-long, science programs along the Westport River for children ages 5-16 years. Thanks to the Gay Gillespie Scholarship Fund, we are able to offer full and partial scholarships to families who reside in the towns that make up the Westport River Watershed including:

Westport, Dartmouth, Fall River, and Freetown in MA
Tiverton and Little Compton in RI

Scholarships are provided on a first come, first serve basis while funding is available. To qualify for financial-based scholarships, families must make **80% or less than the *state median income range.** Families who make **60% or less will automatically qualify for full scholarships.**

Family Size	State Median Income (80%) Automatically qualifies for partial scholarship (possibly full)	State Median Income (60%) Automatically qualifies for full scholarship
2	\$ 67,000	\$ 50,280
3	\$ 75,400	\$ 56,550
4	\$ 83,750	\$ 62,820
5	\$ 90,450	\$ 67,860
6	\$ 97,150	\$ 72,900

Don't qualify financially? We make exceptions!

Ensuring the summer Watershed Discovery Programs are accessible to ALL families is a priority for us.

We encourage families who need support to reach out. Just some examples of need include:

- You have **multiple children** and want to provide summer opportunities for all of them.
- Your family is experiencing **financial hardship** due to unexpected expenses.
- Your family is faced with **extenuating circumstances** that would prevent your child from attending.

Questions? Please contact Kim Botelho, Education Director at wep@wrwa.com or 508-636-3016 ext. 1006. **All applications will be kept confidential and only reviewed by the Education Director.**

To apply, fill out and email the attached application below and email it to Kim at wep@wrwa.com

Once the application is received, Kim will provide a **discount code to use during the registration process.** If you are requesting a financial-based scholarship, before you receive a code, you will need to show us a school letter indicating your child qualifies for free or reduced lunches OR your 2023 income tax page showing your adjusted gross income. **We only look at it, we do not need a copy.**
